

District IX Fall Bonus Event – Wed., September 20, 10-12

Join Us! Best Practices in Garden Club Management

Kick Off – Garden Clubs of Illinois President, Diane Dawson, will open with brief remarks about her experiences in garden clubs and in business

We will explore five of the most important topics we face in our garden clubs. We will have five separate tables arranged around the room and we will spend 30 minutes on a topic, take a 2-minute break and go to another table and another topic. There will be three 30-minute sessions. Each topic will be hosted by a garden club member. Plus a Bonus Table - District IX Resources for you.

Membership - Fundraising - Personnel –
Technology - Programs

This is a unique opportunity to learn from multiple clubs. Post pandemic, we've learned to adjust, regroup and move forward. We're also still riding the wave of heightened interest in gardens, nature and the environment. Let's get together and discuss ways our clubs can thrive in this post-pandemic environment.

There is no charge for this event, but you must register by email, members only. You will receive email confirmation. If your plans change, let us know. There is a 50-person limit, first come, first served.

Location: Northbrook United Methodist Church
1190 Western Ave, Northbrook
Corner of Western & Cherry
Enter from either street; ample parking

Register by email to Diane Freeman, ddf@ameritech.net. Include your Name, Club Name, Address and Phone. Your registration will be confirmed by email. If something comes up, please cancel by email. Either email or call Diane if you have questions: 847-564-1777.
